NARRATIVE

Unit one was stopped at a red signal behind Unit two at the intersection of Highway 9 and Market PL. Both vehicles were traveling northbound on Highway 9. When the signal changed to green, Unit two failed to proceed northbound. Unit one did not wait for Unit two to accelerate, she decided to pass Unit two using the left turn lane. When Unit one continued into the northbound lane of highway 9 from the left turn lane, Unit two realized the light was green and accelerated into the right rear of Unit one. The driver of Unit two admitted to using a handheld GPS device. The damage to both cars was very minimal.

I was heading North on Hwy 9 when the person in front of me did not accelerate when the light was green for about 20 seconds. I honked twice and she didn't go. I assumed her car had died or that she was broken down. I began to move to the left turn lane to go around her. As I did that I used blinkers. As soon as I got around her, she speed up and hit the right side of my car. We pulled off into the Lucky Dragon parking lot. She got out and told me that she was lost and her google maps on her phone wasn't working. I decided to call the police. Nobody was injured.
